

Interested in the Ethics and Effectiveness of Animal Research?

Join Paul Kaufman, the Animal Research Ethics Forum Committee and members of the community for the first in this year's series of community-wide discussions on animal research.

From Cells to Clinic: No Direct Flights *Animal Research and the Treatment of Glaucoma*

Normal vision

Glaucoma

Paul L. Kaufman, MD

Professor & Chair, Department of Ophthalmology & Visual Sciences,
UW School of Medicine and Public Health

After Dr. Kaufman's talk there will be an interactive discussion session with the audience and a panel of experts representing a range of perspectives. Scientists, students, and members of the community are welcome and encouraged to attend.
